## Volunteer Information

### Hours of Operation / Shift Information

When you arrive at the stand, a SJB manager will be on duty to explain the work stations and supervise work. The SJB Road America Concession stand operates from 6:45 am until 6:30 pm (or ½ hour after the end of the last race). Group volunteers will then help with clean-up. Most work days are divided into three shifts. The shift breakdowns are:

**Shift 1 6:45 am - 10:45 am**  
**Shift 2 10:30 am – 2:30 pm**  
**Shift 3 2:15 pm – 6:30 pm**

Children age 12 through 17 are able to volunteer at the stand in limited numbers. Due to limited free space at the stand we children under 12 may NOT accompany parents. Parents will need to complete a Road America **Parental Consent Waiver/Release** for all minors entering the track. This form with either be with your tickets or may be obtained from Road America Security. The stand is not handicapped accessible.

### ATTIRE

State Restaurant regulations require proper attire in a food service establishment. Please use good judgment and adhere to the following guidelines:

- **Closed-toe shoes only** - Tennis shoes are best - NO FLIP FLOPS.
- Undergarments should not be visible through clothing.
- Shorts must be no shorter than three inches above the knee.
- NO tank tops or midriff shirts (no exposed bellies).
- Individuals preparing food wear hairnets or hats.

Our management reserves the right to remove any volunteer not dressed appropriately.

Friendly service is key to the success of our stand. We expect the volunteers behave appropriately, those exhibiting poor behavior will be asked to leave. Per ROAD AMERICA SECURITY skateboards and bikes may NOT be ridden in the paddock area where our stand is located.

Water and some beverages are available from the SJB Concession Manager. Food items may be purchased at a reduced rate.
